City Council Chambers
409 South Main Street
Harrisonburg Virginia, 22801

The City of Harrisonburg is holding a Design Public Hearing to inform the public of proposed improvements along the west side of Main Street from Bruce Street to E. Market Street, and along the east side of Main Street from Elizabeth Street to Wolfe Street in the City of Harrisonburg.

This project consists of streetscape improvements along the west side of Main Street from Bruce Street to E. Market Street, and along the east side of Main Street from Elizabeth Street to Wolfe Street. Improvements include sidewalk reconstruction, addition of curb ramps, and replacement of traffic signal poles, lighting, and landscaping.

Interested citizens can preview and provide comments on the preliminary project plans and environmental documentation and project information at the Harrisonburg Public Works Department located at 320 East Mosby Road, Harrisonburg, Virginia, 22801. Interested persons should ask for Mr. Andrew D. Williams, Assistant Public Works Director at (540) 434-5928.

In compliance with the National Historic Preservation Act, Section 106 and 36 CFR Part 800, information concerning the potential effects of the proposed projects on properties listed in or eligible for listing in the National Register of Historic Places is provided in the environmental documentation.

The City of Harrisonburg ensures nondiscrimination in all programs and activities in accordance with Title VI of the Civil Rights Act of 1964. If you need more information or special assistance for persons with disabilities or limited English proficiency, contact Mr. Andrew Williams at (540) 434-5928.
